Allowable Subject Matter

The Examiner objected to Claims 4 and 19-25 as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Applicants amended Claims 4 and 19 by rewriting them in independent form and including all of the limitations of the cancelled Claim 1, from which Claims 4 and 19 were depending. Claims 20-25 depend from Claim 19.

Accordingly, Claims 4 and 19-25 should be allowed.

CONCLUSION

In light of the above amendments and remarks, Applicants respectfully request that the Examiner allow the pending Claims 4 and 19-25. Issuance of a Notice of Allowance at an early date is respectfully requested.

Respectfully submitted,
